a long awaited introductory textbook from one of the biggest names in world sociology

while providing a rock solid foundation of sociology introduction to sociology canadian version by renowned sociologists george ritzer and neil guppy illuminates traditional sociological concepts and theories as well as some of today s most compelling social phenomena globalization consumer culture and the internet ritzer and guppy bring students into the conversation by bridging the divide between the outside world and the classroom the international version of the book by ritzer has been redesigned with an explicitly canadian core the result is this compelling canadian version featuring george ritzer s distinctive voice and style blended with neil guppy s definitive views on canadian sociology highlighting the place of canada in a globalizing world

the seventh edition of modern sociological theory by george ritzer one of the foremost authorities on sociological theory gives readers a comprehensive overview of the major contemporary schools of sociological thought key theories are integrated with biographical sketches of theorists and theories are placed in their historical and intellectual context this helps students to better understand the original works and helps them appreciate the diversity of contemporary theory

includes the section book notes

a comprehensive guide to the areas of study history theory and methodology of sociology as practiced in the u s and in other nations

established in 1895 as the first u s scholarly journal in its field ajs remains a leading voice for analysis and research in the social sciences presenting work on the theory methods practice and history of sociology ajs also seeks the application of perspectives from other social sciences and publishes papers by psychologists anthropologists statisticians economists educators historians and political scientists

aims to tackle the question of how we can encourage people to develop a deeper sense of community in such a way that the process in itself does not promote exclusions of those who do not belong the museum this book argues can and should

increase toleration in an increasingly intolerant world
