an adorable little bichon frise puppy named kassie is tenacious in her pursuit to persuade her human owner mom to her way of thinking her letters to louise help to ease her frustration with her owner back and forth dialogues add lots of humor and absurdities to every situation kassie encounters with her mom

philosophy in letters explores how personal letters have significantly shaped intellectual discourse and the evolution of philosophical ideas it argues that correspondence isn't just a means of communication but a unique space for philosophical exploration fostering rigorous debate self reflection and collaborative knowledge creation did you know that before widespread publication letters served as vital platforms for philosophers to share insights and critique each other's work acting as precursors to academic journals the book examines the rhetorical strategies and social dynamics inherent in philosophical exchanges through letters offering a fresh perspective on intellectual history the book uniquely examines correspondence as a distinct form of philosophical expression and highlights its dialogical and iterative approach analyzing key philosophical exchanges particularly among enlightenment thinkers debating reason and freedom and existentialists refining their ideas the book shows how letters enabled a deeper engagement than formal publications philosophy in letters begins by introducing epistolary philosophy and its historical importance progressing through different periods and culminating in a reflection on contemporary digital communication as a potential avenue for philosophical debate

in the early nineteenth century when the hudson's bay company sent men to its furthest posts along the coast of north america's pacific northwest the letters of those who cared for those men followed them in the company's supply ships sometimes these letters missed their objects the men had returned to britain or deserted their ships or died the company returned the correspondence to its london office and over the years amassed a file of undelivered letters many of these remained sealed for 150 years and until they were opened by archivist judith hudson beattie when the company archives were moved to canada these letters tell the fascinating stories of ordinary people whose lives are rarely recounted in traditional histories beattie and helen m buss skilfully introduce us to both the lives of the letter writers and their would be recipients their commentaries frame for contemporary readers the words of early nineteenth century working and middle class british folk as well as letters to voyageurs from quebec the stories of their lives fathers struggling to support a family widowed mothers yearning to see their sons bereft sweethearts left behind and wives raising their children alone reach out over two centuries to offer rare insight into the varied worlds of men and women in the early nineteenth century many of whom became settlers in washington oregon and the new british colony of vancouver island

c s lewis on the christ of a religious economy ii knowing salvation opens with a discussion of the anscombe lewis debate the theological issues relating to revelation and reason christ the logos this leads into lewis on the church the body of christ and his understanding of religion how is salvation enacted through the churches how do we know we are saved this concludes with for lewis the question of sufferance and atonement substitution and election deliverance and redemption heaven hell resurrection and eternity christ's work of salvation on the cross what did lewis say of humanity in relation to god now immanuel god with us incarnate crucified resurrected and ascended for humanity what of lewis's own death and that of his wife what does this tell us about the triune god of love who is love this

volume forms the second part of the third book in a series of studies on the theology of c s lewis titled c s lewis revelation and the christ the books are written for academics and students but also crucially for those people ordinary christians without a theology degree who enjoy and gain sustenance from reading lewis s work cslewisandthechrist net

this classic account is the first and still the best comprehensive history of the colfax county area of northeastern new mexico

engaging italy charts the intertwined lives and writings of three american women in italy in the 1860s and 70s journalist anne hampton brewster 1818 92 orphanage and industrial school founder emily bliss gould 1825 75 and translator caroline crane marsh 1816 1901 brewster gould and marsh did not follow their callings abroad so much as they found them there the political and religious unrest they encountered during italian unification put their utopian visions of expatriate life to the test it also prompted these women to engage these changes and take up their pens both privately and publicly though little known today their diaries letters poetry and news accounts help to rewrite the story of american women abroad inherited from figures such as nathaniel hawthorne mark twain and henry james both feminist recovery project and collective biography engaging italy contributes to the growing body of scholarship on transatlantic nineteenth century women writers while focusing particular attention on the shared texts and ties linking brewster gould and marsh etta m madden demonstrates the generative power of literary and social networks during moments of upheaval
